**Campers must move with their group to the different activities throughout the day. They unfortunately can't hang at a preferred activity to avoid a less preferred activity. For example, if a group is moving from Sports to Art, everyone has to go to art, they can't stay at sports.**

# CAMP RULES CONTINUED

The use of foul, inappropriate, or threatening language, is not tolerated at camp. This behavior will result in a warning first, after a warning has been given if this behavior continues there will be a one day suspension from camp. A third occurrence will result in a weeks suspension from camp. If there is any type of physically harmful behavior you will receive a call and need to pick your child up immediately from camp, your child will be suspended for the rest of the day as well as the next day.
