The groups will have 2 counselors each as well as CITs.

Sports, Art, Theater will have 1 main counselor along with an assistant CIT.

Counselors and CITs will stay with their own group of campers for the entirety of the day.

PICK UP AND DROP OFF

Each group will have a designated area. This is where your child will be dropped off and picked up from each day.

Parents unfortunately ARE NOT permitted to stay with their child during camp hours.

Pre K & K will be dropped off at/in the Casino.

1st will be under the awning behind the casino.

2, 3, 4 will be dropped off under the pavilion.

5, 6, 7 will be under the tent by the playground.

All drops off locations are subject to change depending on the number of campers in each group.

Pickups will occur in the same location.

CAMP RULES THAT ARE STAYING IN PLACE

For the safety of all campers and CIT's

Campers **must** stay with their group for the day. Unless given permission by their counselor.

Counselors must know where their campers are at all times. CITs must also stay with their group.

Campers must move with their group to the different activities throughout the day. They unfortunately can't hang at a preferred activity to avoid a less preferred activity. For example, if a group is moving from Sports to Art, everyone has to go to art, they can't stay at sports.

There will be a one warning into a zero tolerance policy in place for all campers, so it's important you speak to your children about this.

This rule applies for counselors and CIT's as well.

WHAT DOES MY CAMPER NEED EACH DAY?

- **WATER**
- **Sunscreen - Spray kind if they need counselor assistance to apply**
- **A towel**
- **Lunch & a Snack**
- **Canteen Money on Wednesdays**
- **Older children will be working on weekly projects - TBA We will let you know what they need for each week closer to camp starting. :)**

WHAT HAPPENS IF SOMEONE TESTS POSITIVE?

Unfortunately we still have to deal with COVID, thankfully it is not as bad as last summer.

If your child tests positive:

1. Notify me immediately. I will notify close contacts.
2. Call the DOH and inform them that your child tested positive, inform them that your child is a camper at HBCA and provide them with my phone number (516) 381-8577
3. We will follow current quarantine guidelines.
4. As I am writing this The NYSDOH says A positive Test needs to quarantine for 5 days and then wear a mask for 6-10 after release from quarantine.
5. All COVID protocols are subject to change based on the latest CDC guidance.

RAIN DAYS

In the event it rains we will be doing a rain day. Movies, snacks, and crafts. But let's hope we won't need to worry about rain.
